

Repair -  
- - - a b l e

**Position:** Tailor

**Location:** NORWAY

With the collaboration of EURES Norway (NAV) and Portugal  
Repairable is recruiting **Tailor**

The Future Is **Repairable** and We Are The Tool.

For a long time, we thought we could make the difference by adding 'eco' to our labels or add 10% of recycled fibers to garments. Now we know that 80% of the garment footprint comes from production, and that the process of recycling is harmful and resource intensive, and is our very last resort. We must act accordingly. We must prolong product lifetime. When we double the lifetime, we cut the footprint down by 49%.

### **Main tasks / responsibilities:**

The candidate would work on welcoming customers, adjusting clothes to fit as well as repairing clothes and generally prolong garment lifetime.

Speed and precision are of outmost importance.

### **Required profile:**

- Ideally 5 years' experience from the industry of fitting and repairing. Long experience can compensate for lack of formal education.
- Fluent English (Need at Least level) B2

### **The company offers:**

- Permanent contract
- Starting at: **As Soon As Possible**
- Working Hours: 10.00H to 18.00H
- Place of work: Oslo
- Salary: Hourly wage 200 NOK (Approx. 20 €/ H)

**How to apply:** Please send application (CV and copy of certificates/diploma) and send to [hei@repairable.no](mailto:hei@repairable.no) and given knowledge to José Bento by email: [euresPToutgoing@iefp.pt](mailto:euresPToutgoing@iefp.pt)

**Further info:** In case of questions please contact to: [ingvill@repairable.no](mailto:ingvill@repairable.no)

Deadline for apply: 30.12.2021

EURES mobility supports may be available if you apply to this vacancy. Please check [www.iefp.pt/eures](http://www.iefp.pt/eures)
