Position: Production Supervisor  
Location: BELGIUM (Izegem)

Fremach Belgium built a reputation as a leading European supplier of innovative and often complex plastic automotive components. It’s a supplier to the automotive industry by applying the technical know-how to manufacture complex, high-quality automotive components to the highest technical standards.

Main tasks / responsibilities:
- As supervisor you have a crucial and responsible role within the production run Task
- You coach a team of +/- 15 persons: you are responsible for the daily management of your department. You provide training and conduct absence, evaluation and adjustment interviews.
- You guarantee their safety on the work floor and make sure they feel good about what they are doing.
- Every day, together with the planner, you create an optimal production and staff planning. After that, it is your job to monitor the productivity and output within your department. You manage your production team, and you offer them support in terms of quality, breakdowns, and other challenges.
- The continuous cooperation between the various departments (Maintenance, Tooling, Quality, HR, Logistics, etc.) makes it possible to achieve a smooth production process. As a key figure, you play an important role in this. Because of your involvement, you have an overview of the current production process, so you can smoothly lead the QRCI meeting and follow up the resulting actions.

Required profile:
- You have several years of experience in a similar function.
- Production know-how is a plus.
- You express yourself fluently in English (A2 Level)
- You act with great responsibility
- Coach: you guide your team in terms of professional development
- Flexible: you adapt easily to changing circumstances
- Goal-oriented: you never lose sight of the company's goal
- Motivator: you inspire others to get the best out of themselves

The company offers:
- An open working atmosphere, where people are central and an interesting and varied job in the automotive world
- Compensation in line with the market according to experience, supplemented with extra-legal benefits
- Immediate permanent contract
- 39h/week in 2-shifts with 10 catch-up rest days per year
- Timetable: MO-TH 5h-13h/13h-21h + FR 5h-12h/12h-19h
- Permanent and full-time job
- Salary: 17.8923 EUR gross (incl. shift bonus) / hour
- Shift system
