Position: Cargo Surveyor / Loading Master (3)
Location: Norway (west coast and north)

Norwegian Marine & Cargo Survey AS is an independent supervisory body, offering inspections, certifications and various services, for a wide variety of products, with emphasis on the Agricultural, Petroleum, Petrochemical and Edible Oil shipping sectors.

As the only Norwegian inspection company, we are a FOSFA and GAFTA member superintendent, in addition of being an ISO approved company.

Main tasks / responsibilities:
- Independent inspections and sampling of bulk and tank cargoes, in addition to being a loading master and coordinator. Therefore, the applicant must be familiar with cargo handling, especially on tankers.
- As company is heavily engaged in damage surveys, typically on cargo side, sea and road transportation, the applicant must also encounter to take part in such surveys.

Required profile:
- Cargo-surveyor or maritime experience. Deck officers preferred, experience with oil/chemical tankers is valued (candidates with background as pump man on tankers can also be considered).
- The applicants must be authoritative, firm and have interpersonal skills.
- Fluency in English, both orally and writing.
- Basic computer-skills, basic MS-office knowledge.
- Driving licence required.

The company offers:
- Two permanent positions and one temporary due to high season in fishing industry.
- The starting date is June/July (for temporary position, until December 2022).
- NOK 500 000 / Euro 50 000 per year + overtime.
- 40 working hours per week.
- Assistance in finding a room and/or bringing your family.
