**Position:** Production Worker - to the harvesting and processing of salmon  
**Location:** NORWAY - Frøya, Trøndelag

With the collaboration of EURES Norway (NAV) and Portugal  
SalMar is recruiting Production Workers

SalMar is one of the world's largest and most efficient producers of farmed salmon. Since its inception in 1991 SalMar has developed into a vertically integrated aquaculture enterprise, whose production stretches from roe/broodfish to the sale of finished products. SalMar has significant harvesting and processing activity locally in Norway and with the main office on Frøya in Trøndelag.

**Main tasks / responsibilities:**
- The job as a production worker will consist of a variety of work assignments related to the harvesting and processing of salmon, including manual cutting, packing, preparing and sorting the products.

**Required profile:**
- Experience from salmon production or other food production is an advantage, but not necessity.
- Good communication and collaboration skills. English language is required.
- Valid Police clearance and Valid background check from the Civil Aviation Authorities.
- Personal characteristics: Reliable and punctual, High work ethic, Flexible, Responsible, Positive and enthusiastic.

**The company offers:**
- We offer 80% permanent positions. Permanent contract.
- Normally you work 37,5 hour per week (100%) but this vary on a weekly basis NOK 199,78 per hour.
- Place of work is InnovaMar on Frøya, Trøndelag.
- Start date: 15th of August / as soon as possible

**How to apply:** Please send (CV and work experience) to Ms Junnette Hernandez through the email work@salmar.no and given knowledge to José Bento by email: euresPToutgoing@iefp.pt

**Additional info:**
- We work in shifts, so that you change between working day- and evening shift every other week. Due to our type of industry, there will be possibilities to work overtime and at other times there could be less than 37,5 hours a week.
- SalMar AS is bound by the collective agreement between Norwegian Seafood Federation and NNN (employee union). The salary is based on the collective agreement's rates and local supplements and is subsequently regulated through local and central wage negotiations.
- As part of having a stable workforce, we prefer candidates that are looking to stay long term or permanently.

**Deadline for apply:** 10.08.2022
