

**Positions:** Mechanics, Electricians, Electromechanics and HVAC

**Location:** Belgium (Flanders)

**Equans** is the reference for **multi-technical installations and maintenance services** and is part of the Bouygues group. In our company, we design, install and provide customised solutions and services to improve our clients' infrastructure, equipment, systems and technical processes.

Our ambition? To help companies and local authorities in their transitions:

- **energy transition:** reducing energy consumption and CO2 emissions
- **digital transition:** connecting equipment to make it more effective and efficient
- **industrial transition:** optimising productivity and technical installation management

The company is looking for several **profiles** to join its Team, with the support of VDAB / EURES Flanders and IEFP / EURES Portugal:

### The company offers:

- permanent contract
- a salary in line with your education and experience, between 16 and 20 EUR/hour
- interesting training and career opportunities
- group hospitalization insurance
- eco & meal vouchers

**How to apply:** please send us your CV and copy of certifications by email to [staffing@equans.com](mailto:staffing@equans.com) with copy to [euresPToutgoing@iefp.pt](mailto:euresPToutgoing@iefp.pt)

Applicants must be entitled to the Free Movement Right regarding to employment in the European Union

Please submit your application as soon as possible.  
**Last application date is December 09<sup>th</sup>, 2023.**

EURES mobility supports may be available if you apply to this vacancy. Please check [www.iefp.pt/eures](http://www.iefp.pt/eures)
