

Position: Cooling Mechanic

Location: Nootdorp, The Netherlands

Schouten Techniekgroep is a modern, versatile company with a rich history. Based on healthy business operations, we want to be among the best professionals in our fields of:

- ◆ Electrical engineering
- ◆ Security engineering
- ◆ Climate engineering

We are also proud of who we are and what we do.

Our clients occupy a central place with us, every client is unique. Our commitment is reflected in sound advice, offering solutions and unburdening our clients, whereby we do not want to make any concessions to quality.

Do you have technical insight and an eye for quality? Then this position might be the one for you!

Main tasks:

- Installation and maintenance of cooling and air installations and heat pumps
- Both working independently and working together in a team of experienced mechanics
- You advise customers and clients about the cooling installations and heat pumps
- Your customers are healthcare institutions, daycare centers, educational institutions and SMEs.

Required profile:

- Experience in cooling technology and heat pumps is a plus / worked on a motor bike at home or electrical skills/knowledge
- Technical insight and an eye for quality are also very important
- Empathy and customer orientation
- English language skills are good
- Driver's license
- Willingness to move to the Netherlands
- Eager to learn
- Teamplayer
- Highly motivated
- Willing to get your VCA diploma

The company offers:

- 7 months with a view to a permanent contract
- For someone without experience, around EUR 2000-2200 (depends on age and experience)
- 38-40 hours per week
- Travel expenses, Targeted follow-up studies and training
- A responsible and independent job within an enthusiastic team
- Excellent working conditions (in accordance with the Collective Labour Agreement Metal & Technology)

How to apply: Please send your CV and cover letter to euresPToutgoing@iefp.pt care of Guilherme Silveira. Please write in the subject of the email: **Cooling Mechanic - 589185564**
