

**Position:** CNC operator

**Location:** NETHERLANDS, Hardenberg

KMS Metaal BV is a well-known company in the production of parts for hydraulic systems, machine construction, offshore, heavy lifting and agriculture. A company that is professionally active in the field of CNC metalworking on both the Dutch and foreign market.

**Information about the position:**

Looking for a CNC turner/miller with technical insight, who can program a robotic machine

**Required profile:**

- A completed technical training in the direction of machining, such as a training at mechanical engineering level and / or demonstrable experience as a machine operator
- You can read technical drawings
- You have relevant work experience with Fanuc and/or Heidenhain
- Good knowledge of the English (B1)

**The company offers:**

- Annual Dutch contract (upon mutual satisfaction the contract will be extended)
- Salary between €2400 and €3700 gross (based on experience)
- Monthly payment
- Hours a week: 38
- Accommodation (at a charge of €750 per month incl. gas/water/electricity)
- Holiday money and paid vacation days
- Pension Scheme
