

Position: Industrial surface treatment (metal) painter

Location: FINLAND, Otanmäki, Kainuu

VPS Henkilöstöpalvelu Oy, a private employment agency is currently looking for industrial painters (spray painter) to join a client's team in the Kainuu region, Finland. Elements of mining machines and large elements of railway vehicles are painted. Work is also performed at a height of up to 7 m, so readiness to work at height and with a ladder is required.

The work involves precise high-pressure spray painting in accordance with the instructions. Each employee is thoroughly introduced to environmental, quality, technical and occupational health and safety requirements.

Required profile:

- At least 2 years of experience working on similar tasks. All stages of work are performed manually.
- Readiness to work at heights (up to 7m).
- Ability to work in a team, punctuality, ability to read technical drawings, readiness and experience in sandblasting.
- The work uses Teknos paints, so experience with this brand of paints will be an advantage.
- Advantage if you already have DI isocyanate certificate for level 3. Otherwise, training should be done in beginning of employment relationship (not on work time and training will be free for participant).
- Good level of English or knowledge of Finnish, or Russian.

The company offers:

- Fulltime contract on permanent basis with VPS (with workforce agency) and consistent with the collective agreement of the technology industry
- Starting salary from €14.60/h/gross (the company uses hourly and performance rates, in commission average earnings 16-17€/h)
- Full-time work in a 2-shift system (readiness to work 3 shifts will be an additional advantage)
- Support in accommodation

How to apply: Please send application (CV in English) to kuopio@vps.fi until 26th may and given knowledge to Lurdes Vermelho by email: lurdes.vermelho@iefp.pt
