

Position: Truck or Bus mechanics

Location: NETHERLANDS (several locations)

ORION specialises in the management and maintenance of large and complex fleets in a range of high-quality industries. The company is a healthy and familiar company that stands for diversity and inclusiveness.

Are you an enthusiastic Truck or Bus Mechanic? Do you have experience with tinkering with buses, trucks, fire trucks, cars?

Main tasks / responsibilities:

Orion is looking for driven commercial vehicle mechanics who perform maintenance work and repairs on big vehicles. You work on solving (complex) malfunctions, both mechanically and electrically:

- Maintenance work on the buses
- Diagnosing troubleshooting, and solving malfunctions, both mechanically and electrically
- Check and repair camera, payment systems, air conditioning, heating and digital screens

Position demands:

- Vocational degree as a car mechanic
- You are experienced and possess key/technical competences
- Affinity with large vehicles
- Flexible attitude and attention to customers
- Able to speak and understand English

The company offers:

- A contract of minimum 6 month
- Salary: 2.300 EUR per month (negotiable depending on experience, age and diplomas)
- Dutch language learning costs
- Help to find accommodation
- A good pension and group health insurance
- Good employment conditions, such as booth camps, training programs, company physiotherapy, etc.

Interested? Please mail your cv to: Susana.mourellefernandez@uwv.nl with cc to nidia.figueiredo@iefp.pt referring: **WBS: 3916423**
