

Position: Car Mechanic

Location: The Netherlands, Breda (Southwest Netherlands)

TYREX BV, a car garage located in the city of Breda (Southwest Netherlands), is looking for Car mechanics.

Main tasks / responsibilities:

As a car technician, you are responsible for providing our customers with optimal service and ensuring that our customers can get back on the road safely.

To achieve this, you carry out repair and maintenance work, mainly on young cars of various brands. A small selection from the range of tasks:

- Carrying out repair and maintenance work
- Making diagnoses and being able to remedy them
- Providing customer-friendly service

You don't work alone. You work together with the mechanics in the workshop, a workshop manager, the receptionists and the manager. Together you ensure satisfied customers and that Tyrex's ambitious goals are achieved. We all have 1 goal and that is to get a little better every day.

Required profile:

- Experience in a similar position and able to work independently
- Able to work meticulously and efficiently, and able to work in teams (team player)
- Able to communicate in English
- Valid driving license (category B)
- Citizen of an EU/EEA country, Switzerland or a Nordic country

The company offers:

- Temporary contract (6 to 12 months), with the possibility of becoming permanent + travel expenses and pension
- Gross month salary between €2500,- and €3500,- depending on proven skills and experience
- Fulltime job (38-40 hours a week)
- Housing will be provided (shared accommodation)
- We find your personal growth more than important. That is why we invest in relevant education and (brand) training
