

**Position:** Insulation Worker

**Location:** Mülheim an der Ruhr, **Germany**

**Armbrust GmbH** is a growing, third-generation, owner-managed family business based in Mülheim an der Ruhr. We specialize in technical insulation work, structural fire protection, and insulation technology for public construction. As a reliable partner for complex construction projects, we place great emphasis on quality, adherence to deadlines, and strong collaboration – both within the team and with our clients. To strengthen our dedicated team, we are looking for motivated individuals who want to continue growing with us. To reinforce our team we are looking for 6 workers.

**Main Tasks:**

- Independent execution of technical insulation work in the areas of heat, cold, sound, and fire protection
- Processing various insulation materials such as mineral wool, rubber, and PIR (polyethylene terephthalate)
- Installation of molded insulation components on construction sites and in technical systems
- Support in the assembly of molded components in the workshop (cutting, preparation)
- Quality assurance of your completed work
- Contact person on the construction site for technical questions relating to the trade

**Required profile:**

- Completed vocational training in the field of thermal insulation or comparable experience in technical insulation
- If no German language skills are existing: Willingness to learn German after arrival
- Confident handling of common insulation materials and their processing
- Craftsmanship and clean work
- Teamwork skills, reliability, and flexibility
- Class B driver's license desirable

**The company offers:**

- Permanent Position
- Salary: of €19,00 gross/hour
- 40/hours a week
- High-quality work clothing and professional tools
- A strong team that supports you – even with new challenges
- Collaboration in exciting construction projects in the public sector
- Living space can be provided in the Affordable accommodation for the first few months
- Local contact person for your needs
- Assistance with entry and German language courses
