

Position: Welder/Pipefitter

Location: Denmark

PKH Montage is looking for 2 skilled and dedicated **certified welders / pipefitters** with at least 2–3 years of experience in welding black and stainless-steel pipes and the ability to work independently from pipe drawings.

Main Tasks:

You will become part of a strong team working in the energy sector, primarily involved with:

- Pipe installations on hot water, high-temperature water, and steam boilers.
- Welding and installation of piping systems for industrial heat pumps.
- Turnkey solutions for customers, including general installation and metalwork.

You'll typically work in pairs and be part of a small on-site team of 2–6 people. Collaboration with the client's own technicians is common.

Required profile:

- 2–3 years of experience with welding and pipe assembly.
- Can weld to X-ray standards and read/understand technical pipe drawings.
- Speaks and understands English at a working professional level.
- Holds EU citizenship and a valid driving license (B).

The company offers:

- Permanent position.
- Working hours: Monday to Saturday, 07:00–18:00 follow a 4-weeks-on / 2-weeks-off rotation schedule.
- Flights to and from home country if the worker wants to go back during the rotation schedule.
- Salary between 160 to 170 DKK (± EUR 21 a 23) gross/hour, depending on experience + Diets allowance 570 DKK per day (± 76 EUR).
- Accommodation in shared apartments with private rooms (2–3 people per apartment max.), or if apartments are not available, hotel stays close to the job site are arranged.
- Each team is provided with a car and the necessary tools.

How to apply: Send application and CV in English to ph@perhenningsen.dk (please write "Welder" in the subject line) and Cc to: lurdes.vermelho@iefp.pt
