

Position: Stone paving and groundwork

Location: Sweden, Jönköping

Join us in building the sustainable landscapes of the future! We are looking for several skilled individuals to join our stone and groundwork team.

We offer comprehensive solutions in paving and fine planning projects, from concrete stone to advanced work with natural stone. With a focus on quality and professional pride, we create sustainable and aesthetic environments that exceed the customer's expectations.

Main tasks / responsibilities:

Stonework and groundwork in public environments, such as streets and parks, particularly cobblestones.

Required profile

- Basic experience in stonework and groundwork
- English knowledge
- Driver's license B
- Independent and proactive with a strong sense of responsibility
- Enjoys physical outdoor work
- Focused on details and committed to exceptional workmanship

The company offers

- Permanent contract
- Full-time employment (Monday to Friday 06.00 - 16.00) with a three-week summer vacation and with a paid winter break (24 December -1 April)
- Monthly salary (12 months): 33500 Gross SEK- (±2921 Euros)
- Support in the search for accommodation
- Opportunities for growth and development to enhance your skills.
- A strong team where collaboration is key
- Meaningful and varied tasks that make a difference
- A company culture where everyone is valued and contributes their expertise with pride
- Investment in tools and machinery to ensure your well-being both on and off the job
