

Position: Welders

Location: Denmark, Munkebo

Lomac A/S is a Danish manufacturing company specializing in steel constructions, working within areas such as marine, offshore, construction, and wind turbines. We currently have 50–60 employees, and due to a strong order intake and exciting customer projects, we need more skilled welders for our production.

We already have international employees on our team, so we know what it takes to give new international colleagues a good start — both professionally and socially.

Main responsibilities:

- MIG/MAG welding of steel constructions for marine, offshore, construction, and wind turbine projects, among others
- Reading technical drawings and working according to work instructions
- Quality control of your own work
- Collaborating with other production staff to meet delivery deadlines

Required profile:

- Are you qualified welders or have documented experience as a welder
- Hold a valid welding certificate 136/138 H-LO45 D168, or equivalent documented qualification
- Are reliable, punctual, and take a professional approach to work
- Can work independently and as part of a team
- Are quality-conscious and detail-oriented
- Can communicate in English and/or German

The company offers:

- Permanent position (full time)
- Modern machinery and good working conditions
- Training and hands-on onboarding at the start
- Free accommodation in a single room during your work periods in Denmark
- A working environment with experienced and dedicated colleagues
- Opportunities for professional and personal development
- Working model: Rotation scheme – employees work a set period in Denmark, followed by a period at home, before returning to Denmark. The preferred rotation is 4 weeks of work followed by 2 weeks off. Travel to and from Denmark is at the employee's own expense
- Working hours: 6–7 days a week x 10.5 hours – day and night shifts
- Hourly pay: DKK 180/200 (approximately EUR 24/27) per hour
- Overtime: We follow the current overtime pay rules of the Confederation of Danish Industry
- Employee benefits: Housing and work clothing is provided
- Collective agreement: Employment conditions are based on the applicable Collective agreement with the Confederation of Danish Industry (DI)

How to apply: Send your application and CV to jni@lomac.dk As soon as possible.
Please write "Welder – Application" in the subject line.
