

Position: Aquaculture Technician - 2

Location: IL-Mosta, Malta

AquaBioTech Group is seeking a suitably qualified person to work as an aquaculture / aquatic technician on a variety of research projects at our R&D facility known as ABT Innovia. The responsibilities of the selected candidate are defined as follows.

Main responsibilities:

- The work is focused on the wet-labs facility of AquaBioTech Group (ABT Innovia), with primary duties on maintaining livestock and RAS systems. These tasks involve mostly feeding and health monitoring of the livestock, RAS system maintenance, inspection and housekeeping, monitoring water quality and experimental trials activities and reporting.
- Day to day coordination and execution of all national and international research projects that the AquaBioTech Group and its partners are awarded, ensuring that all the research contracts are managed and executed within the timeframes and budgets provided and all deliverables are met. This includes ensuring that all SOP and required accreditations, such as GLP and GMP, are achieved and maintained.
- Be involved in various aspects of the design, engineering and logistics of bringing a RAS project through to installation and beyond.

Required profile:

- The successful candidate is likely to have a good solid background in aquaculture sciences, preferably with at least a B.Sc. level of education, although experienced technician candidates are also encouraged to apply. Experience in laboratory operating procedures and GMP and GLP is also a bonus, but not essential as all training in these procedures will be provided.
- The selected candidate will be required to speak and write English fluently, and knowledge of any other languages would be considered an asset, although not essential.
- The selected candidate must have a clean EU / EEA passport OR be a third-country national (TCN) presently residing in the EU with no travel restrictions or legal convictions and be in possession of a clean driving licence.

The company offers:

- Long-term, fixed-term contract
- Possible accommodation support package
- Training provided
- Salary 17.500 to 19,000 Euro per year

How to apply: CVs and a covering email are to be sent by email to eures.recruitment.jobsplus@gov.mt and should be written in English. Please quote the vacancy name and number “454210” in your email.
