

Position: Dental Hygienist

Location: The Netherlands (Steenwijk)

Steenwijkerdiep is a dental practice in Steenwijk. Our modern group practice offers a broad scope of dental care, delivered by a multidisciplinary team of dentists, dental hygienists, and dental assistants. Using advanced equipment and high-quality materials, we strive to provide the highest standard of care.

Main tasks and responsibilities:

- As our Dental Hygienist, you play a key role in helping patients achieve and maintain excellent oral health.
- You will independently perform a wide range of preventive and periodontal treatments, including scaling and polishing, fluoride applications, sealants, dental X-rays, and dental impressions.
- Working closely with dentists and dental assistants, you will deliver high-quality patient care while educating and motivating patients to adopt healthy oral hygiene habits.
- This is a hands-on role where your expertise, communication skills, and patient-centered approach make a real difference every day.

Required profile:

- A diploma in Oral Health Care / Dental Hygiene
- Minimum B1 level English and willing to learn the Dutch language
- A completed Hepatitis B titer test
- A valid X-ray certificate

The company offers:

- A salary (with Dutch registration) between €3400 and €5000 gross per month, depending on qualifications, experience and competencies
- Annual contract (32 - 40 hours p/w) with intention for a permanent contract
- Travel allowance
- Excellent secondary conditions
- Paid vacation days plus 8% holiday allowance
- Staff discounts
- Team activities and a pleasant, professional working environment
- Support in finding accommodation in The Netherlands
