

Position: SUMMER SEASON 2026 - Production workers

Location: NORWAY, Frøya

Do you want to contribute to the future of sustainable seafood? Dive in with us this summer! SalMar SA is one of the world's leading salmon producers. We operate across the entire value chain - from smolt production to processed products and global sales. Our operations span central and northern Norway, with our main processing hub and head office located at InnovaMar on Frøya in Trøndelag.

Main tasks:

- Manual cutting and trimming
- Packing and sorting
- Preparation tasks in various production zones

Required profile:

- Experience in salmon or food production is an advantage, but not required – we will train you
- Good communication skills in ENGLISH are essential
- Strong team spirit and collaboration skills
- Clean criminal record from all countries where you have lived or worked for more than 6 months during the past 5 years
- VALID EU passport or Norwegian permanent residency/work permit
- Driving license is essential: living on Frøya requires personal responsibility for transportation. For permanent relocation you should have the opportunity to purchase a car
- Personal qualities: Reliable and punctual, Flexible and adaptable, strong work ethic, responsible and positive attitude

The company offers:

- Working hours: 36,5hours/week, Monday-Friday; Shifts: 07:00H-15:30H/ 15:30H-00.00H
- Salary: 20.30 EUR/Hour + 20% evening shift bonus
- Temporary summer period: minimum 2 month of employment
- Place of work is InnovaMar on Frøya, Trøndelag
- Comprehensive pension and insurance agreements
- Opportunities for long term employment and growth
- Access to an on-site gym and a cafeteria serving good, nutritious meals
- Dormitory rooms may be available (waiting list applies) and are located 5 kms from the factory.
- We can provide links to Facebook groups and rental platforms to help you find housing
