

Position: Experienced Carpenters

Location: NORWAY, Bergen

Skuteviken Personell AS was established in 2008 and is one of the leading staffing and recruitment agencies on the west coast of Norway, Bergen. With solid experience from the construction industry, quality expertise and personalization, we solve our customers and employees' needs in a professional manner so that they choose us over and over again.

Main Tasks:

Skuteviken Personell AS continues to grow and has several exciting projects in Bergen and the surrounding area. We are now looking for independent and skilled carpenters to strengthen our team.

In addition to traditional carpentry work, we also need candidates with experience in interior system installations. You do not need to be a fully qualified carpenter - practical skills and solid experience are equally valuable.

Typical work tasks include:

- Building exterior walls and wooden house structures
- Installation of walls, ceilings, doors, and windows
- Interior system installations (walls, ceilings, office partitions)
- Renovation and finishing work
- Reading and working from technical drawings

Required profile:

- Minimum 2 years' experience in carpentry or interior system installations
- Ability to read and understand technical drawings
- Knowledge of Scandinavian building methods is an advantage
- English or Scandinavian language skills (professional competence is most important)
- High work ethic
- Reliable and punctual
- Independent and solution-oriented

The company offers:

- Competitive salary: NOK 275 - 307 per hour (±EUR 25-28), depending on experience
- Permanent full-time employment
- Standard 37,5 hours, but possible to work up to 48 hours pr. week
- Varied projects - both traditional carpentry and/or system carpentry
- Coverage of daily travel costs (if more than 7.5 km from home to workplace)
- Free professional tools and work clothes
- Housing in company apartments if needed
- Supportive and service-oriented administration
- Career development opportunities for the right candidates
