

**Position:** Car mechanic / technician

**Location:** Norway, Oslo

Temp-Team Bil & Mekanikk is a specialist division within Temp-Team Norway and is an expert in recruitment and staffing services for all types of positions and professional fields within both light and heavy vehicles.

Our workshop specializes in BMW, Land Rover, Jaguar, and Mercedes-Benz, and due to increasing demand, we are looking for a quality-driven and solution-oriented technician to join our team.

**Main tasks:**

- Service and maintenance of premium vehicles;
- Diagnostics and troubleshooting;
- Repairs and technical problem-solving;
- Customer interaction when required.

**Required profile:**

- Holds a trade certificate as an automotive technician (light vehicles);
- Has experience with one or more premium brands (an advantage);
- Has strong technical understanding and interest in modern vehicle technology;
- Works independently, systematically, and with high attention to quality;
- Language skills: English or Norwegian (intermediate).

**The company offers:**

- Competitive salary and conditions;
- A modern workshop with advanced diagnostic equipment;
- Training and development within the premium segment;
- A professional work environment with strong technical pride.

**How to apply:** Please send your CV in English to [use@temp-team.no](mailto:use@temp-team.no) with Cc to [euressPToutgoing@iefp.pt](mailto:euressPToutgoing@iefp.pt) A/C Alexandra Lhansol, referring in the subject of the email "Car mechanic"
