

Position: eCommerce Logistics Executive

Location: MALTA,

We are an e-retailer that sells beautiful piercing jewelry. We work with people worldwide, but our headquarter is on Malta. Our goal is simple: We want to become the largest piercing jewelry e-commerce in the world. Our location is important because you will join our team of young professionals here. Besides the fantastic weather, you will get to work with very open-minded people passionate about their jobs. Will you join us in this exciting journey?

Main tasks:

- Creating, optimizing, and maintaining shipping routes to suit the fast phase of our online growth.
- Work closely with heads of all departments. Research and benchmark the most practical solutions and propose new shipping routes. You will find ways to test your new shipping routes and create actionable KPI's. Post Covid travels to our German hub will be expected. 20 travel days a year.

Required profile:

- Ideally, some experience within eCommerce or from other FMCG B2C retailers, but most importantly, experience within international postal shipments. The most important thing is that you love getting stuff from A>B efficiently.
- You are detail-oriented and passionate about identifying problems and solving them. You know the fundamentals of international shipping and the appropriate jargon. You know the value of what we offer and have strong negotiation skills. You can prioritize, find temporary solutions for urgent and complex problems, and dedicate time for development when the circumstances allow. You have outstanding communication skills that encourage the team members around you.
- Good level of English language.

The company offers:

- Salary: Eur 25,000 – Eur 40,0000; relocation and accommodation will be discussed during the interviews.
