

Position: French Technical Advisor for Porsche
Location: Portugal, Lisbon

About the company: *SITEL introduces itself*

Learn, lead & grow. #SitelPortugal

*As a global leader in end-to-end customer experience (CX) products and solutions, **Sitel Group®** partners with the world's best-loved brands, from Fortune 500 companies to local startups, to design, build and deliver a competitive edge across all customer touchpoints.*

With our award-winning culture built on 35+ years of industry-leading experience and commitment to improving the employee experience, we improve business results by pairing innovative design thinking and digital solutions – including self-service, artificial intelligence (AI), automation and data-driven analytics – with the expertise, emotion and empathy of our people to Create Connection. Value Conversation.

Come and work with us.

Do you want to work with a company that has strived to translate performance into speed – and success – in the most intelligent way possible?

*Are you **German** native or fluent with strong **English** communication skills?*

*Looking to make your career in a multicultural environment in sunny and happy **Lisbon**?*

So we have the perfect opportunity for you!

*Your future project: join our **German Customer Support** team.*

Our client:

In the beginning, I looked around and could not find quite the car I dreamed of. So, I decided to build it myself - Ferry Porsche

This quote gets to the heart of everything that makes Porsche what it is. As a brand, as a company, and as an automotive manufacturer.

The job:

As a customer service specialist in this project, your daily responsibilities will include:

- Inbound support (e.g. technical assistance and advice on Smart Mobility and E-Performance Services for both customers and dealers, such as administration of customer accounts, registration or operating issues, charging network, parking services, Porsche Drive, etc.)
- Cross-sales (e.g. clarification of contract-related questions, extending subscriptions, etc.)
- Outbound support (e.g. related Smart Mobility or e-Performance Services)
- Case monitoring (Monitoring, handling and - if necessary – escalation of open cases)
- Response Card (e.g. handling of response cards, administration of opt.-ins and opt.-outs)
- Meet and exceed our service quality goals, compliance regulations and productivity targets
- Create amazing experience that people value and we are proud of
- Be responsible to follow the direction of management and provide feedback

EURES mobility supports may be available if you apply to this vacancy. Please check www.iefp.pt/eures (TMS/YfEj)

Required profile:

- Native or proficient level of **French** (C2)
- Advanced level of English (at least C1) both verbal and written
- No employment termination due to just cause in work history
- Knowledgeable in Windows-based and Microsoft Office Applications
- Secure handling of IT systems
- Strong communication skills – with excellent phone conversation skills, attentive listening and superior writing skills
- High passion for automotive topics and digital technologies
- Make empowerment business decisions with little guidance
- Demonstrate out of the box thinking in order to resolve customer concerns
- Proficient documentation and note-taking; must be able to clearly document information
- Maintain a clear understanding of policy and procedures and warranty coverage
- Understand the geography of the respective markets working for and being able to identify regions and provinces
- High-speed internet access and appropriate conditions for remote work, in Portugal
- **Must hold EU citizenship or valid work permit for Portugal**
- **Be a local candidate (= living already in Portugal and having a Portuguese Fiscal Number Card) or willing to relocate to sunny Lisbon, Portugal**

Background:

- Experience in the customer service/ call center industry is preferred
- 1-year working experience within technical areas; or 1-year working experience within automotive OEM customer service; or 3 years working experience within premium customer service with an affinity for technical/automotive topics at the same time
- Experience with Luxury Brands and Customer Relationship Management Systems (CRM)

The company offers:

- Competitive wages and stability
- Private healthcare & dental insurance (after six months of employment)
- Continuous learning/development opportunities and competitive career opportunities
- A safe, friendly, creative, innovative and technological organization
- International and multicultural environment (celebrations, our SitelFit wellness program, initiatives to develop your skills and events to increase the team spirit)

How to apply: please send your CV and motivations, in English, to EURESjobsPT@iefp.pt
(make sure you have **Sitel 589013452** in the e-mail subject)
