**Position:** Mine Planning Manager  

**Location:** SWEDEN, Pajala, Norrbottens

Kaunis Iron is a new and modern mining company in Pajala, Swedish Lapland running open pits and mine iron ore which is processed and sold to the world market. Thanks to sustainable production, a strong culture, a skilled business and world-class facilities, Kaunis Iron takes a position as an innovative upstart in the global market. The company is looking for a driven and committed Mine Planning Manager who wants to contribute to a sustainable mining operation in Pajala. As Mine Planning Manager, you are part of the management team at the mine and report directly into the Mine Manager. You are responsible for the people management of the planning team, their work environment and have budgetary responsibility for the Planning Department. The work means that you are responsible for an area under constant change that places high demands on safety awareness and safety. Direct reports include six geologists and two field technicians [LA1].

**Main tasks / responsibilities:**
- Lead the work within the department,
- Development of mining and drilling plans, measurement work, the preparation of the mining plans and hedging/fuse materials,
- Updating of block models and ore base optimizations, geology and content control, and production follow-up against the plans. [LA2]

**Required profile:**
- University graduate within a relevant field i.e. mining engineering or geology
- Significant experience (5-10 years), leadership, and a great interest in mining operations, preferable in open pit mining
- Sound knowledge and experience in Microsoft Office applications is a requirement. Experience in mining planning software and/or other CAD programs will be a merit.
- Work with long-term and capital-intensive projects is a merit.
- English and/or Swedish is a requirement and Finnish is a merit
- Valid Code B drivers licence is also a requirement.

**Personal Characteristics:**
- You work well with others. As a person you are responsive and flexible with an interest, willingness, and the ability to help others whilst striving to deliver solutions.
- As a leader, you are a clear and engaging communicator who is goal-oriented and likes to be one step ahead.
- You are highly efficient at working collaboratively, and listen, communicate and resolve conflicts constructively.

**The company offers:**
- Full-time, permanent position
- Salary is individually negotiated, however leave and other social benefits are structured according to the local, collective Swedish Civil Service Agreement

**How to apply:** Email your application in English to rekrytering@kaunisiron.se and Cc nidia.figueiredo@iefp.pt referring Mine Planning Manager – Sweden
